Prime AU-Zoned Agricultural Property in Miami-Dade County, outside the UDB. This exceptional property is zoned AU (Agricultural District) under Miami-Dade County regulations, offering flexible land use options ideal for agricultural operations, estate homes, and limited commercial opportunities. The AU zoning designation permits a range of uses. The elevation of the land is between 6-14ft above sea level. For a full list of allowable uses under AU zoning, you can refer to Miami-Dade Countys Zoning Code, Chapter 33, specifically under Section 33-279.
